BarCamp is a free, ad-hoc un-conference. Discussions, demos, and interaction from attendees. It is your event.

Anyone with something to contribute or with the desire to learn is welcome and invited.

Topics include tech trends, web 2.0, business, and design.

Oh yeah... did we mention there's going to be a party?

Friday evening, 08.20 and Saturday, 08.21
DeVos Communications Center, Calvin College
