Regarding: BarCamp GR

Attached is our Menu Wizard print out from last year.

We'd like to split the order into two different pickups: most of the items will be picked up on Friday, August 20th at 4:30 PM. The starred items (mostly breakfast) will be picked up on Saturday, August 21st at 8:30 AM.

The one exception is the ice; on the print out it's listed as one case. I'm not sure if the case is one bag of ice or multiple bags. If multiple bags then the quantity is fine; otherwise I'd like to get two bags of ice. I'd also like to pick up half the ice on Friday and save the other half for Saturday.

Thanks,

Kyle
